

Confirmation from the Lord

Not long after being told to open my bible to Acts, and receiving the message the Lord wanted to make known to me, I had another message given to me; this time I was in prayer during brake time. As I started to pray, the Holy Spirit fell upon me in a mighty way. I began to weep from the Holy presence of God's Spirit. This is what was spoken. My son, I AM going to come to you in the night, in clouds and bright lights with lighting and thunderings, and I AM going to take you in the Spirit and show you many things. I have called you to be MY witness of what you have seen and heard from Me. This promise has not taken place as of yet. But, as the Lord has spoken to us many times: Remember my sons, your walk is by faith. If we are faithful to our calling, we both know God will fulfill all that He has proclaimed in our hearing. For God's words are faithful and true. To God the Father Mother, Son and Holy Spirit be ALL the Glory Praise and Honor.
