

## Two Poisonous Serpents

Blessings Rev Davis. This dream is about the fight I had with a powerful and deadly serpent. The dream starts as I was standing in my parents front porch. When entering my parents house, there is a small porch area. After entering the porch, there is a narrow open archway leading to the kitchen and dining area. In the dream I was shown my dad sitting in a chair with his back to me.

He was seated in the middle of the archway, half way in the porch, and half way in the kitchen dining area. Just behind where I was standing, the porch door was open about a third of the way. At this point, a serpent of about 24 inches in length quickly slithered in the open door. Its colored patches were black and white.

As it went behind me, it ended up right underneath where my dad was sitting and stayed there. It did not coil up; it just stayed in a relaxed position. Then, from the kitchen I heard my mother's voice: Paul!!....that serpent might be poisonous?? My dad then looked down, but he didn't seem to be concerned.

Then, another identical serpent entered the porch. This one ended up on the couch that was directly to my left. As it laid there, it was also still in a relaxed position. It was as if it thought it could not be seen? Just a few seconds went by, and then with my left hand, I quickly reached down and grabbed hold of the serpent just behind its head. I then lifted it up over my head, as I was doing so, it coiled itself around my outstretched arm and showed its true nature with large protruding fangs, in which it tried to turn its head enough to bite my wrist.

I can remember how terribly strong this serpent was. With all of my might, I held tightly around its neck, as it twisted and turned trying to sink it's fangs into my wrist. At this point in the dream, I reached out my right hand, and asked for the scissors from the kitchen area. I did not see who placed them in my hand, but they were placed in my right hand, and I began to try and cut the serpents head off. I say try, because it was like cutting through thick leather. It took some doing, because the serpents head was quickly twisting back and forth as it continued to try and bite me. If it was not for the vise like gripe I had on the snake, I would have surely been bitten.

I can remember as I held the lifeless body of the serpent above my head, one of the tiny skeletal bones touched my wrist. It caused some pain, but only lasted a short time. Even the structure that was hidden within the body of the serpent was poisonous!

I then slammed the dead headless carcass to the floor with all of my might. At this point of the dream I was shown entering the narrow archway that went into the kitchen dining area. I stayed in the kitchen area for some time, then I was shown walking from the kitchen, back through the archway into the porch. As I entered the porch to my left, there was a man I knew from work. I knew he recently became a believer and convert of Pauline Christianity.

As I looked at him, I could see he was wearing denim shorts that left his lower legs uncovered. Right next to him was laying the dead serpent's headless body. One of the tiny skeletal bones was touching his left ankle in the heel area. As I looked at him, he reached up with his hands,

and placed them upon his head. He then said he had a severe headache! At this point, the dream ended.

This dream has great meaning. The house that is used in the dream is my parents' house. This symbolically represents the temple built in times of old. The porch represents the entry way into the inner sanctuary, where my mother who represents Mother Wisdom dwells. My father, who is facing toward the inner sanctuary and seated half way within the archway, symbolizes those who come to worship under false pretenses. They have eyes, but do not see. And, have ears, but do not hear what Mother wisdom is speaking to them.

In the dream my mother (Mother Wisdom) was calling out to my dad: Paul.....that serpent might be poisonous!!! My dad looked down, but he did not see the serpent, nor did he take heed to the warning given by Mother Wisdom.

Gospel of the Holy Twelve

Lecture XXXV, Verses 12-15.

12. Again, as Jesus sat at supper with His disciples in a certain city, He said unto them, As a table set upon twelve pillars, so am I in the midst of you.

13. Verily I say unto you, Wisdom buildeth Her house and heweth out her twelve pillars. She doth furnish Her Table.

14. And she standeth upon the high places of the city, and crieth to the sons and the daughters of men! Whosoever will, let them turn in hither, let them eat of My bread and take of My oil, and drink of My wine.

15. Forsake the foolish and live, and go in the way of understanding. The veneration of God is the beginning of wisdom, and the knowledge of the Holy One is understanding. By Me shall your days be multiplied, and the years of your life shall be increased.

The kitchen area is where the food and drink of Mother Wisdom is prepared and served. Mother Wisdom always glorifies the Son Christ Jesus. The serpent under my dad's chair was 24 inches in length. The number 24 represents two covenants that were given. The first one was given through Moses to the twelve tribes of Israel after the flesh. The second one was given by Jesus Christ to the twelve chosen apostles to Israel after the Spirit.

Gospel of the Holy Twelve

Lecture XVII

1. Jesus proclaims that the names of the twelve apostles are those who stood for the twelve tribes of Israel.

Lecture XLIV

5. Ye are My chosen twelve, In Me, the Head and Corner stone, are the twelve foundations of My House buildeth upon a rock, and on you in Me shall My church be established.

6. And ye shall sit on twelve thrones and send forth light and truth to all twelve tribes of Israel after the Spirit, and I will be with you, even unto the end of the world.

7. But there shall arise after you, men of perverse minds who shall through ignorance or through craft, suppress many things which I have spoken unto you, and lay to Me things which I never taught, sowing tares among the good wheat which I have given you to sow in the world.

8. Then shall the truth of God endure the contradiction of sinners, for thus it hath been, and thus it will be. But the time cometh when the things which they have hidden shall be revealed and made known, and the truth shall make free those which were bound.

The serpents in the dream are identical in size and color. The colors black and white are used to show the method in which the evil one operates. Truth mixed with falsehood. The evil one through his seed, the tares, corrupted the first covenant given through Moses. Likewise, the second covenant Jesus gave to His chosen twelve was not long afterwards also corrupted by the tares of the evil one. The method in which Satan used to corrupt the first covenant, was also used to corrupt the second covenant. That corruption was blood sacrifice for remission of sins.

In the dream, my dad represents those who are taken in "hook line and sinker" by the counterfeit and demon enticed doctrine of Saul, a.k.a. Paul of Tarshish. Rev Davis covers this subject with an depth clarity on his know your bible page. This can be found by logging onto [rodcdavis.com](http://rodcdavis.com)

The second serpent that was shown to come to rest upon the couch was on a higher level. This represents a comfortable condition and also a higher position. I had to seek and ask for understanding concerning the meaning of the couch. I come to understand the serpent on the couch had a twofold meaning, and the first meaning concerns the Priests and Pastors who are in a higher position within the church. Most of them are seen to be in a very comfortable position, and do not want to be confronted or bothered with anything that contradicts their believes. For them to question and most importantly take a stand and denounce their Pauline doctrine as false, would more than likely place their livelihood within their church, in extreme jeopardy. As Jesus said; They are hirelings, and care not for the sheep.

In the dream I was shown to look at the serpent for just a short time, before I knew I had to grab hold of it! This wisdom came from understanding the enemy and how the enemy works. Without this wisdom, the evil one can easily deceive us. As soon as I grabbed hold of the serpent, its true nature was made known. It was most certainly poisonous and very dangerous!

When my brother Paul and myself are sent to the churches that are called by the name of the Lord Jesus Christ, and we grab hold of the head of the serpent, we are not going to let go until it's head is completely lopped off and the hidden counterfeit structure is exposed and revealed for what it truly is.....COUNTERFEIT!!!!

In the dream while struggling with the serpent, I reached out my hand towards the kitchen area and asked Mother Wisdom for the scissors. The scissors were placed into my right hand and I was then able to start cutting the serpents head off. The head of the serpent is none other than Satan himself. He is the author and head of the counterfeit Pauline doctrine. When his head is lopped off, the hidden structure that has been hiding within for nearly two thousand years will be exposed.

As was shown in the dream, the structure that was hidden within, was also poisonous. That was made known to me when one of the bones touched my wrist. Before coming to know the truth contained in the Gospel of the Holy twelve, I was for a short while also deceived by the satanic Pauline doctrine. But, by longing to know the genuine unadulterated truth, I was eventually led in the right direction to find it. Father Mother God through their Son Christ Jesus, and Holy Spirit made sure my brother Paul and myself would find what we were so desperately searching for.

The serpent upon the couch also represents the evil one's plan to try and stop me from doing what God has called me to do. That is why the serpent was in a relaxed position upon the couch. For a time, I was deceived. But, because I sought the Lord Jesus Christ for answers to many of my unanswered questions, wisdom and understanding was found. The calling God has placed upon both my brother Paul and myself, is to wage war against and expose the evil one and his corrupted hidden structure - Pauline Christianity.

This is going to anger the evil one beyond measure!! Right now as I am writing the meaning of this God given dream, an army of Light is being prepared and made ready to go to battle. Light against darkness. Truth against falsehood. In the dream I was shown going into the kitchen area where the bread, oil and wine of Mother Wisdom's table set upon twelve pillars was served. After dining together and partaking of her food, I returned to the porch area where I was shown a man I knew from work.

I knew he was a new convert of Pauline Christianity. His legs from the knees down were uncovered. As I looked at him, I could see the serpent's headless carcass lying on the floor next to him. One of the tiny skeletal bones was touching his bare ankle heel area. As I looked at him, he placed both hands upon his head, and said he had a severe severe headache!

I will use what is prophesied in Genesis 3:15 to bring understanding concerning the end of this dream.

Genesis 3:15 And I will put enmity "hostility" between you "Satan" and the women "God's seed", between your offspring and her Offspring: He will bruise your head, and you will bruise His heal.

The man I knew from work was symbolic of that prophecy. When the head of the serpent is lopped off and the hidden structure within is revealed, the pain in his head, which is a condition of the mind, will be revealed. The severe pain in his head was because the truth that he wholeheartedly believed in, will be revealed to be of the evil one.

In the Gospel of the Holy Twelve

Lecture XXXIX verses 7-10. Jesus tells a parable of the field.

7. And He spake another parable, saying: The Kingdom of Heaven is like unto good seed that man sowed in his field, but in the night, while men slept, his enemy came and sowed tares also among the wheat, and went his way. But when the blade sprung up and brought forth fruit in the ear, there appeared the tares also.

8. And the servants of the householder came unto him and said, Sir, didst thou not sow good seed in thy field, whence then hath it tares? And he said unto them, An enemy hath done this.

9. And the servants said unto him, Wilt thou then that we go and gather them up? But he said, Nay, lest haply while ye gather up the tares, ye root up the good wheat with them.

10. Let both grow together until the harvest, and in the time of the harvest I will say to the reapers, Gather up first the tares and bind them in bundles to burn them and enrich the soil, but gather the wheat into My barn.

Also in Lection XL verses 6,7 Jesus explains the parable of the field.

6. Then Jesus sent the multitude away and His disciples came unto Him saying, Declare unto us the parable of the field; and He answered and said unto them, He that soweth the good seed Is the Son of man; the field is the world, the good seed are the children of the kingdom, but the tares are the children of the wicked one. The enemy that sowed them is the devil, the harvest is the end of the world, and the reapers are the angles.

7. As therefore the tares are gathered and burned in the fire so shall it be in the end of this world. The Son of man shall send forth His angles, and they shall gather out of His kingdom all things that offend, and them which do iniquity, and shall cast them into a furnace of fire, and they who will not be purified shall be utterly consumed. Then shall the righteous shine forth as the Sun in the kingdom of heaven.

We are now entering into the time of the harvest. The Lord through His called and chosen vessels has begun to expose the workings of the tares. Staunch warriors for Christ Jesus such as Rev Davis and others have begun the work. In the not too distant future, the two witnesses will be sent to confront face to face the head of the serpent. His seat is and has been for nearly two thousand years in what is known as Pauline Christianity.

The Roman Catholic Church as well as the Protestant Churches who teach this counterfeit doctrine are in bed together with Satan. Because of this condition, they are seen as defiled. The hidden skeletal structure of the evil one is going to be revealed, and those who are part of this demonic doctrine and refuse to repent and amend their ways at the hearing of the truth, will be seen as no better than those who had Jesus crucified and nailed to the cross.

The ankle, heel area of the man I knew from work is symbolic of the nails being driven into the heels of Christ Jesus. Just as those in Jesus time had Him crucified for speaking against their sacrificial laws of blood atonement for sins and the shedding of innocent blood, so also the staunch followers of the Pauline doctrine vehemently opposes anything that contradicts the blood atoning work of Jesus on the cross as taught by Saul, a.k.a. apostle Paul.

Many will also vehemently oppose Christ Jesus teachings concerning love for all of the household of God. That means no hunting, no fishing, no using the animals for food or profiting from their suffering of any kind! Yes, the hidden structure of the evil one is going to be revealed for what it is. Counterfeit!!! This should not be to much of a surprise. After all, is he not the father of all lies and deceits??

In closing, I am going to use chapter XX of the Clementine Homilies.

Some parts of the Old Testament written to try us: But one might with good reason maintain that it was with reference to those who thought Him to be such that the statement was made, No one knoweth the Father but the Son, as no one knoweth even the Son, but the Father. And reasonably. For if they had known, they would not have sinned, by trusting to the books written against God, really for the purpose of trying. But somewhere also He says, wishing to exhibit the cause of their error more distinctly to them, on this account ye do err, not knowing the true things of the Scriptures, on which account ye are ignorant also of the power of God. Wherefore every man who wishes to be saved must become, as the Teacher said, a judge of the books written to try us. for thus he spake: Become experienced bankers. Knowing the counterfeit currency from the genuine! Now the need of bankers arises from the circumstance that spurious is mixed up with the genuine.

Just as in many of the dreams that were divinely given to my brother Paul and myself, the colors Black and White in this dream were used to symbolically show the method of operation of the evil one. And, as the apostle Peter explains in the Clementine Homilies, “This was allowed By God to see who would become experienced bankers. Wise money changers for the Kingdom of God. Casting the counterfeit away, and holding true to the genuine teachings of God through the Son Christ Jesus.”

May the Father Mother, Son Christ Jesus and Holy Spirit receive all Praise Glory and Honor for this divine given dream. Amen and amen.

Russell Maddock
